

BELMONT EMERGENCY MANAGMENT

Advisory Notification

Belmont Emergency Management would like to make you aware of the following National Weather Service Advisory:

Heat Advisory July 1-4, 2026

The National Weather Service has issued an extreme heat watch as a result of a prolonged period of dangerous heat and humidity for our area from 10:00 am Wednesday, July 1st through 8:00 pm Saturday, July 4th. Heat index values may reach 96-112 degrees. The peak of the extreme heat will be Thursday and Friday. Overnight relief from the temperature will be poor. Persistent exposure to high heat and humidity may cause illness. All residents are encouraged to drink plenty of fluids, stay in air-conditioned buildings, avoid direct sunlight, and check on relatives and neighbors.
